The gist of the petition of Srinivas Rao is that pending the settlement of the account of the income etc of Thirunelli village that subsistence allowance of Rs 20/- a month be granted to him with effect from the last official year as he wholly depends upon this share of the income from the Inam village.

In the second petition he requests that a sum of Rs 100/- may be ordered to be disbursed to him out of the about Rs 500/- due to him from out of the 1/3 income ~~from~~ from Thirunelli village to enable him to perform the annual celebration of Brindhavana Utsavam to the Ranganathaswami at Srirangapatnam which is incumbent on him this year, ~~as he is quite out of pocket~~ and that the Deputy Comr Mysore may be asked to disburse the amount to him.

In respect of the petr's services reasonable: It is practically certain, if they be believed, as the Budget provides & the Comptr to support the contention - that he has fully discharged his duties & became the accounts confused he cannot obtain his own. & he represents that he is starving on allowance of Rs. 15 p.m. may perhaps be sanctioned.

As regards the Seva line Dy Sec may perhaps be asked to get done as cheaply as possible & that the Wal Col thus returned as having been paid to petr.

SECTION 92
FILE NO. 286-10
SERIAL No. 10

To

The Secretary to the Govt. of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

I, T. Sreenivasa Rao, Inamdar of Tirmully village, Hunsur Taluk, Mysore District, beg to represent as follows:-

1. Having obtained from Government a loan of Rs3,000/- (Three thousand) on the mortgage of my share of the above Inam village in 1893-94, I commenced and continued paying as per stipulation Rs300/- or so annually from the yield of the village towards the interest and the principal. The whole amount of the loan together with the interest accru--ed was discharged in 1907-08 and the Comptroller accord--ingly closed my accounts as will be seen in his subsequent annual reports to Govt.

2. Subsequently, the whole village was seized by Govt. in con--nection with the loans ordered to other shareholders, not--withstanding the protest I submitted that my loan had been fully discharged.

3. Upon further representation of the facts that my loan had been discharged and that my portion of the proceeds should be paid to me, the Deputy Commissioner paid my share to me last year.

4. In connection with the complaint of one Krishna Rao, who has no share whatever in this village, that I have not rendered accounts &c. of my management of the village as regards his share, the Govt., I learn, have been pleased to order the payment of my share should be withheld.

5. I beg to submit, that I have to render accounts to any parti--cular shareholder regarding his share is a mat[illegible]o be ad-

a adjudicated by a competent Court according to Law.

6. The discharge of my loan having been admitted by the Comp-troller, if there is any discrepancy found with returns sent from the District Office, this may be settled on re-ference to the Deputy Commissioner, and if it is found that there is any balance left due by me, I am ready to accept and discharge the liability in due course.

7. As I am wholly depending upon the revenue of my share of this village for my living, I have been left destitute and starving as payment is withheld.

8. As the settlement of account may likely take some time, and as I have no other means of subsistence, I respectfully solicit your kind favour of ordering the payment of my share pending final settlement, as the village itself is in the hands of Govt. and stands as a substantial security and any amount due by me may be easily recovered from the revenue. Should this be found not feasible, I beg that at least an allowance of Rs20/- per month from the begin-ning of the last official year for my subsistence may kind-ly be sanctioned, to be adjusted in future from the amount that will be due to me.

I beg to remain,

Sir,

Your most obedient servant,

T. Srinivasaraos

Inamdar

Firmully.
